

We would like to thank...

- 📖 The Town of Ogden for ongoing support and cooperation.
- 📖 The Friends of the Library for their fundraising, volunteerism, and donations.
- 📖 The Kiwanis for their silent auction, with proceeds helping the library and the Kiwanis.
- 📖 Those who donated money, books for our sale, items for programming, or anything else.
- 📖 Our loyal genealogy volunteers who help people discover their history each week.
- 📖 Monroe County Library System for helping us provide wonderful services such as our shared book collection.
- 📖 Our other volunteers who keep books clean, help sign up summer readers, and more!
- 📖 And for our wonderful community who supports us in all our projects.

- 📖 Public printers, including color.
- 📖 Assistance with eReaders upon request.
- 📖 Summer reading programs for all ages.
- 📖 Meeting room, display case and public bulletin board.

A fine example of our LEGO® club

New & Improved Services in 2013

📖 New Computer Area

A generous grant from the state allowed us to update our decade old computers. Our new computers are faster and more useful.

📖 New Media Sections

In order to accomodate a growing DVD/Blu-Ray collection, we moved our Books on CD collection and added display space to our video collection.

📖 Increased Display Space

In addition to the increased video display space noted above, we added a display table, a display spinner, and more, in order to showcase items of interest to our patrons.

📖 Expanded Graphic Novels

Teenagers and adults alike are discovering that graphic novels are their own unique art form. Additionally, graphic novels promote literacy for non-reading young adults. Accordingly, we have expanded our efforts in this area.

📖 New website

We revamped and improved our website to make it easier to find all the items you need to know what's available and what's happening at your library. Check it out at <http://www.ogdenlibrary.com>
