1999 Annual Report

Farmers' Library Company of Ogden

Established 1815.

1999 Annual Report

This report is issued annually and provides information on what the library offered to the community during the year.

1999 was a year of change for the Ogden Farmers' Library. Long-time Director Annette VonDohlen retired in March; Patricia Uttaro became the new Director that same month. Also leaving us in 1999 was Library Trustee John Hawkins, who had served on the Library Board of many years. Russ Ruhl was chosen as John's replacement.

The library and its staff strives to meet the needs of this community, and we welcome your input. If there are things you'd like to see us accomplish, please drop a note in our suggestion box.
