6. President's Report: Scott welcomed Alex to the board.

7. Treasurer's Report: The Morabito Fund has increased because of the stock market. Joe noted that we can uncover columns in the spreadsheet to see previous years' information. John noted that the presenters' costs (for programs) have increased, so they have increased the budgeted amount for that line item for 2018. The numerous Vanguard entries in the Warrants are to correct what wasn't done in the past because of misunderstanding the process. John checked with M&T Bank about the credit card points and learned that they can be applied towards gift cards of \$25.00 each.

MOTION to approve paying the warrants was made by Shery and seconded by Kim; the motion was carried unanimously.

8. Special Business: Budget

A General Fund transfer from the reserve funds was made because of the increase in the minimum wage for 2018. Employees pay about ¼ of their health insurance costs. To account for this, will decrease the salary line and

increase the health insurance line. If this is done, the amended budget amount will be \$588,092 (instead of \$599,001). Line item 6196, General Fund Transfer, will change from \$30,908 to \$20,000; and line item 8210, Professional Wages, will change from \$193,913 to \$183,005.

John stated that he budgeted \$60,000 for the Director's salary, so we don't need to adjust the budget unless the Director's salary is more than that amount.

MOTION to approve the Budget as amended was made by Amy and seconded by Adam; the motion was carried unanimously.

Executive Session: Scott called for an Executive Session at 7:06 p.m. John and Tom were asked to leave. The Board discussed the Director's annual evaluation and his compensation for 2018. In addition, Scott thanked Kim for pulling the evaluation together. The Executive Session ended at 7:41 p.m. and John and Tom was asked to rejoin the meeting.
