Introducing Rachel!

Hello Town of Ogden! My name is Rachel Scott and I am so pleased to be joining the staff of Ogden Farmers' Library as the Local History & Genealogy Library Assistant.

I've worked in Monroe County Libraries for seven years now. I love working in libraries and advocating for them! When I'm not working, I enjoy reading, mostly young adult fantasy, and hiking (near waterfalls if I can).

I've worked at OFL for about a month now and have received the warmest of welcomes. Feel free to drop by and talk to me about local history, genealogy, what you're reading, or just to say hello!

Mr. Steve Suggests

The Tea Dragon Society

Some kids have pet cats, or dogs, or fish, or gerbils, or turtles - but Greta is a goblin and a blacksmith's daughter, and she's raising a pet dragon! Tea Dragons, like Greta's, are small enough to pick up, and every kind is different - peppermint tea dragons are cheerful, rooibos dragons love adventure, and earl grey dragons are normally quiet but like to be silly when no one is watching! Author and illustrator Katie O'Neill tells their story in beautiful, round, colorful illustrations - a story about pets, friends, goblins, mysterious prophets, the occasional sword-fight, and afternoons at home with a pastry and a cup of hot tea.
