

OCTOBER 2011

SUGGESTION BOX

You said:	We say:
Please order: <i>Hooked on Phonics</i> is on sale right now. Many homeschooling moms use this series.	We are looking into this, and we'll let you know when we reach a decision.
Please order: <i>Sarah, Plain and Tall</i> [DVD]	We'll order it if it's available, and we'll post here when it arrives.
The DVD selections are too low - for some people cannot access them. At the very least there should be stools to sit on to see and reach the lowest ones. Thanks!	This is a valid point, and we are planning to reorganize the audiovisual section in the near future. It's a big project, and we appreciate your patience. Meanwhile, please ask for assistance and/or a stool!
Your Magazine Exchange is a great idea, and we use it quite often (both in and out). However, for the sake of us "old-timers" please consider placing the box on a table. It's rather difficult and awkward to bend over to look thru the available magazines. Thank you.	We've moved it up, and we hope it works out better. Thanks for giving us an easy one. (:
If you don't already have it available it would be great if the Ogden Library had digital services from Overdrive - I love a good book, but I also am getting more fond of my Kindle!	Glad you asked! We're part of the Monroe County Library System, so we've got Overdrive — which includes Kindle-compatible titles now! Visit www.libraryweb.org to download ebooks.
